Opportunities For those who have Capital For those who need Capital

We are in constant touch with two classes of opportunities:

- A—Men who have capital which they will invest in attractive business ventures B—Businesses which are "paying out" on a comparatively small scale, but which could utilize more capital to increase their earnings both in volume and percentage.

We have had some success in getting A's and B's together, and invite correspondence if you are in the position of either A or B.
